## Come On Out... The Sailing's Wonderful

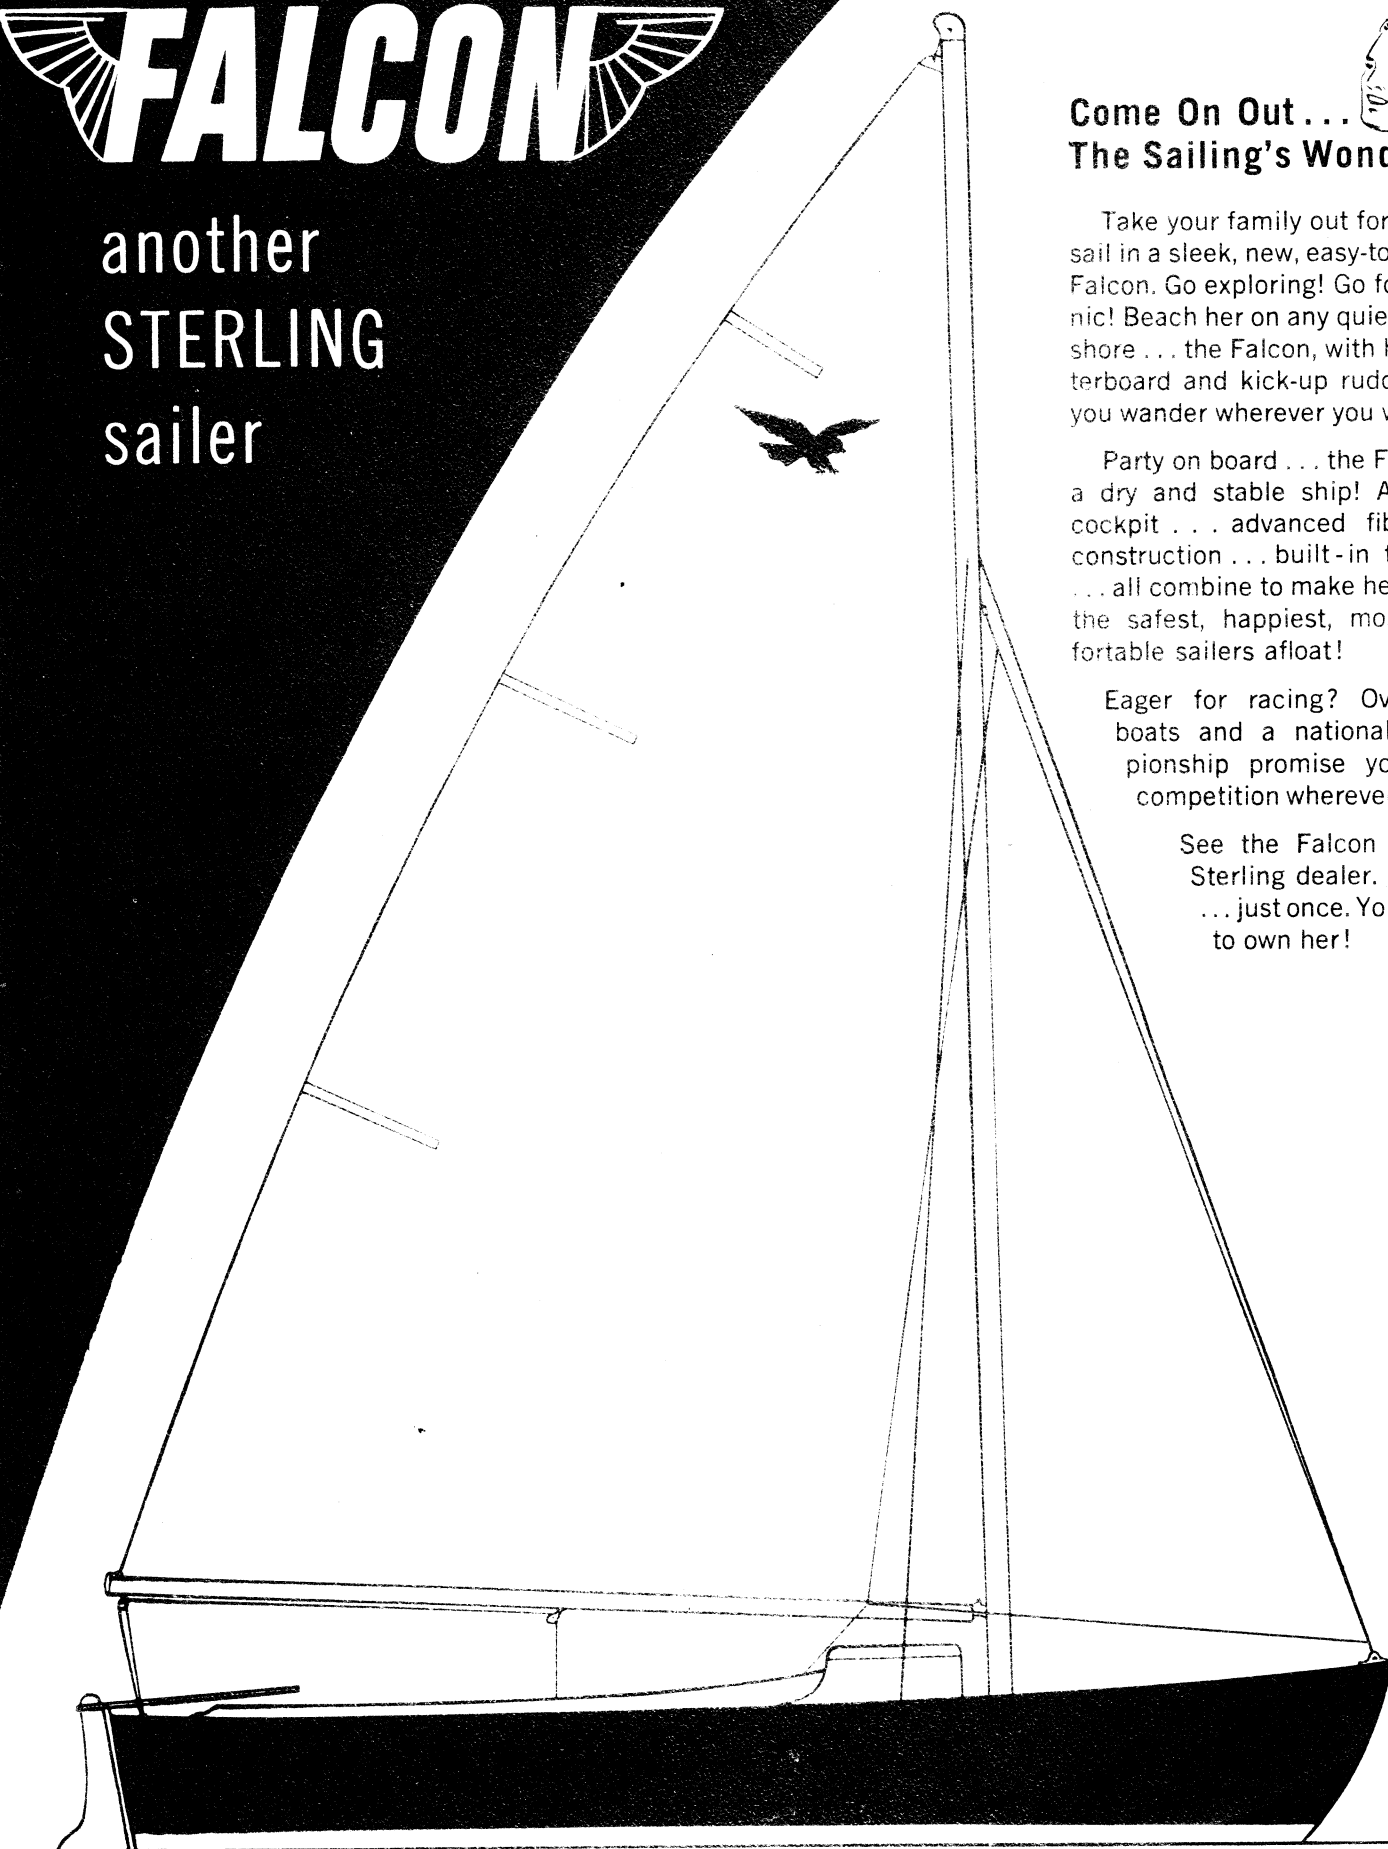

Take your family out for a day's sail in a sleek, new, easy-to-handle Falcon. Go exploring! Go for a picnic! Beach her on any quiet, sandy shore... the Falcon, with her centerboard and kick-up rudder, lets you wander wherever you wish.

Party on board... the Falcon is a dry and stable ship! A roomy cockpit... advanced fiberglass construction... built-in flotation... all combine to make her one of the safest, happiest, most comfortable sailers afloat!

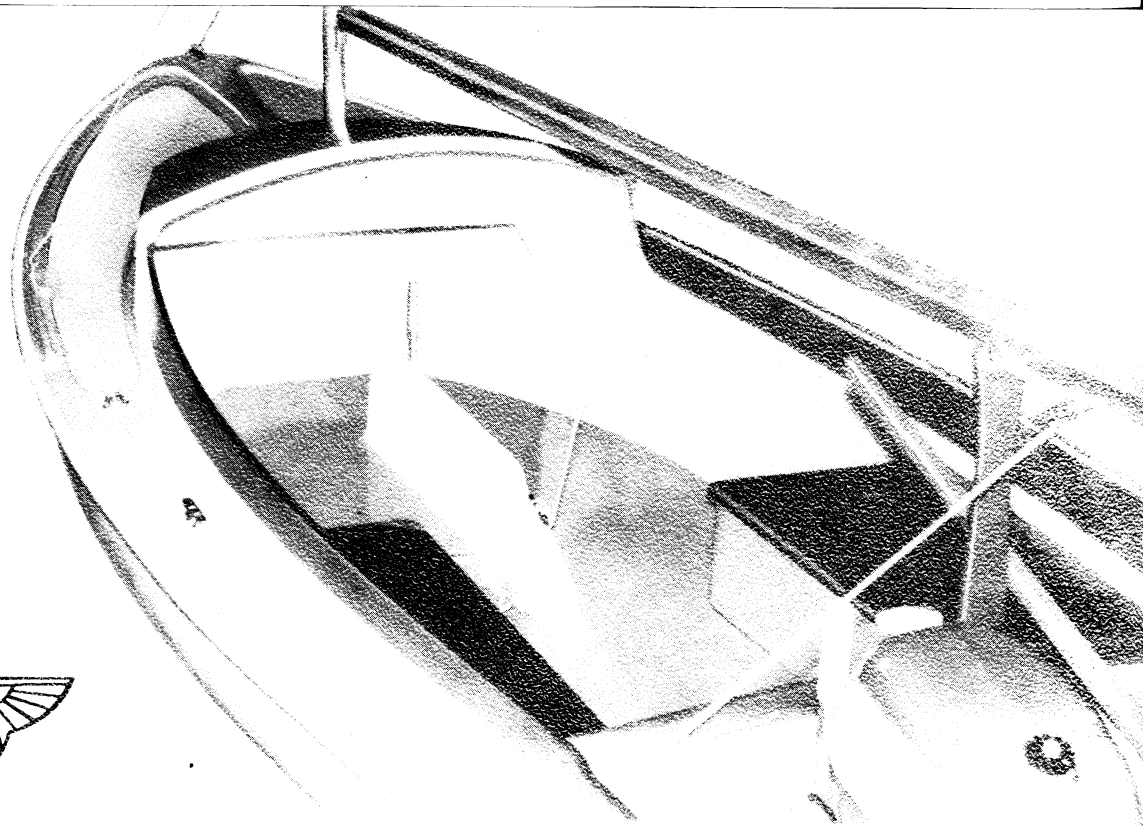

Eager for racing? Over 800 boats and a national championship promise you keen competition wherever you go.

See the Falcon at your Sterling dealer. Sail her... just once. You'll want to own her!
